President's Report

I am writing this report after just returning home from the Spring Sale and Annual Meeting. I came away with a renewed excitement for the American Haflinger Registry.

The Annual Meeting followed a delicious dinner set up by our friends at Walnut Ridge. I thank them for all the hard work. The meeting was much more meaningful than the past few because we had a large turnout of people willing to share concerns in a positive manner. The Board heard the concerns regarding communications with the membership through publications and the website. We will address those concerns at our next Board meeting.

The pinnacle of the weekend was the auction. Many people stated that it was the best quality of horses seen at an auction. The morning started with a fun auction of items donated by members. The hope was to cover the annual meeting dinner. It far exceeded with over \$4,000 raised for the sale and dinner. The auction was a huge success as well. Potential buyers from 11 different states requested bidder numbers. Some horses were sold with a live internet feed. And we had buyers willing to pay good money for the horses. Another big thank you to Robert Eicher and his entire committee.

I am so pleased to serve with such a hard working group of talented people on the Board. Negativity by some members is totally unwarranted. With few volunteers, the board members have gone above and beyond all expectations. Positive feedback from some members at the annual meeting certainly help the overall future of the American Haflinger Registry.

Dynamic Duo at the All American Youth Horse Show

Youth AHR member, Haylee Kemper, competed May 9-12, 2024 in The All American Youth Horse Show in Columbus Ohio with her 20 yr old mare Barbara MDH (Daphne). They entered western and ranch classes as well as hunter classes and brought home a ribbon in the hunter under saddle division. This is a huge show with exhibitors coming from all across the country and getting to compete and place in a class is an accomplishment. Haylee has been training and showing Daphne all herself for seven years being very competitive and working hard to prove this wonderful breed's versatility and ability to hold their own against other breeds in multiple disciplines.

Congratulations Haylee and Daphne!!

The Classic At Twin Birch

Celebrating 30 years of Haflingers

IT'S SHOW TIME!

It's that time of year when the horses are shedding out and thoughts of show ring success are circling one's head. For those who have been involved with horses for years, it's an annual tradition. For others just starting out, it's a new adventure. Since COVID, we've all seen the demise of some horse shows that have always offered so much fun competition and an opportunity to meet others. Now, happily, the shows are coming back and exhibitor numbers building! If you enjoy showing, it's vital that you support the shows by bringing your horses. Without your participation, our registered Haflinger events will cease to exist -- many have already gone by the wayside.

To those not interested in showing, this may not seem like an important issue. But, to those who have spent years developing breeding and training programs, as well as those who enjoy meeting others who have the same love of horses, or for those looking to get started, these shows are essential to the sustainability of current exhibitors as well as the education of future participants. It's also just a great way to meet others and see what today's Haflingers are looking like!

Please mark your calendars and send in your entries for an upcoming event that has something for everyone. Twin Birch Farms in Skaneateles, New York, is hosting The Classic at Twin Birch August 15-18, 2024, a pleasure show that will welcome both AHR registered Haflingers as well as all breeds. Recognizing that some Haflinger farms also have other horses, classes for both will be offered. AHR Registered Haflingers may go in Haflinger classes as well as

Haflinger Horse Bits

open classes. Melding a variety of breeds into one show is a great way to meet a multitude of owners while showcasing the everlasting and much appreciated versatility of the Haflinger. OOAK Imagery will be on hand to snap memorable photos of your beautiful horses in action throughout the four days!

Among an array of quality judges for dressage, western, English and hunter classes, the show is honored to welcome, Chairman of the Tyrolean Haflinger Breeders Association and President of the World Haflinger Breeding and Sports Federation, Lukas Scheiber, who will be traveling from Austria to judge halter classes alongside long-time Haflinger breeder, Jennifer Rousseau, formerly of Tudor Oaks Farm. Halter classes will be double judged, with each judge selecting their placings independent of the other. One Best of Show will be selected by consensus. Also travelling from Austria with Judge Scheiber will be international Haflinger Judge and Tyrolean Haflinger Breeding Association Committee Member, Romed Posch, and Fohlenhof Managing Director and Stud Manager, Robert Mair. With this exciting group of Haflinger experts, you are invited and encouraged to bring your Haflingers to help showcase what American breeders, owners, and trainers are accomplishing!

Participants have the opportunity to pre-register for several social activities, including the trail ride & drive followed by BBQ dinner and discussion with Judge Scheiber on Thursday, dinner cruise on Skaneateles Lake Friday, and a Haflinger Hoedown Saturday evening! It is important that if you plan to attend any of these events that your reservation be received by July 1st. Only those sending in reservations will be permitted to participate, so please remember to send in your reservations EARLY! The discounted early entry deadline for show entries is also July 1st – please mark your calendars!

IMPORTANT: A negative Coggins within one year (two years if horse resides in New York State), current rabies (within one year) and Flu/rhino vaccine (within 6 months of show date) are required for all horses, including any horse who is on the grounds to show, trail ride/drive, school, or transit. NYS also requires a veterinarian's Certificate of Veterinary Inspection (CVI) within 30 days and that any rider/driver under the age of 18 wear a SEI certified helmet.

For the safety and enjoyment of all, no smoking and no dogs will be permitted on the property.

Please reserve stalls early to ensure availability! For additional information, visit www.twinbirch.net or phone 315-246-2269. This will be a once-in-a-lifetime event you WON'T want to miss. Plan to join us!

THANK YOU SPONSORS: Nubbin Ridge Farm (Mike & Ilene Keatley), Best of Show sponsor, and JD North Farm (Jeff & Debbie North) Haflinger Youth Western Pleasure Walk/Jog class sponsor! To be added as a sponsor, please visit www.twinbirch.net or phone 315-246-2269 today!

Thank You AHR Sale Committee

By Karen Young

For those of you who have been longing for the return of the much-treasured AHR Haflinger sale, your dreams came true this past Memorial Day weekend. With the upstart of alternative sales, as well as dwindling entry and attendance numbers, the sale had been slowing down and finally stopping during COVID. I returned home last night, thankful to those people who were dedicated to the return of the sale and who made it happen: Sale Committee, Lou Sutton, Andrew Yoder, Robert Eicher, and Daniel Yoder, as well as Pedigree Commenter, Lonnie Schlabach, and all of the others -- spotters, auctioneers, photographer, and any individuals who pitched in to help set up and tear down for the sale itself or for the Annual Meeting dinner and clinic. The event could not have been better planned or executed (right down to the inclusion of the fry-pie-guy!)

From the excellent educational kick-off with clinician and USDF Bronze and Silver Medalist, Andrea Meoak, to the fun auction featuring a variety of creative items, and ultimately an offering of one of the finest collections of AHR registered Haflingers seen in many years, it truly was a successful event. Moreover, it offered something that is so special within the Haflinger breed – the coming together of the AHR family and the meeting of prospective AHR members. There truly is something about the Ashland Fairgrounds and the memories it holds.

I'd like to especially thank Andrew Yoder for opening the sale with such a heartfelt recognition of how, when and where Haflinger sales began in the U.S. The first sale, held in 1987 in Coshocton, Ohio, consisted of 50 head, aged two years and younger only. A few years and auctions later, Ashland became home base for the annual AHR Haflinger Sale, where all ages of registered Haflingers would be offered and where auctioneer Steve Andrew's voice was the standard. It was the icing on the cake at last weekend's sale to have Steve at the sale and recognized as well. Steve always made the auctions exciting and fun. Today, with online transactions being the norm, not all

buyers were physically present. However, it was exciting for the crowd to hear there were winning bids from Colorado, Oregon, and a number of states outside Ohio, once the gavel went down.

In talking with people at the sale, I heard two common comments. First, that this sale, though conservative in numbers, had some of the best quality Haflingers seen in a long time. That's a tribute to breeders and importers who have put considerable thought and finances into furthering the breed, and it's nice to see the fruits of their labor. Secondly, it was mentioned by several people that they hope the sale happens again next year and that, if it does, they would consider bringing their horse(s) to sell. What the future holds, time will tell. For now, I thank those who made this year's sale and activities happen. I invite you to do the same by reaching out to the AHR board and sale committee today to let them know you support their efforts.
